

Midsize Single-Gang Wallplate Telephone and Video

APPLICATION

Leviton's Midsize Single-Gang Wallplates are ideal where flush mount telephone or video connection plates are needed. Midsize plates are 3/8" higher and wider than standard plates to help disguise irregular or oversized wall openings, resulting in a neat, professional finish. Durable video connection wallplates are available with an F-Connector or unloaded with a hex-shape outlet for later coax cable installation. Telephone wallplates with 6P4C voice grade connector and combination video and telephone wallplates are also available.

STANDARDS COMPLIANCE

Meets all applicable standards: cULus listed and meets FCC part 68.

PHYSICAL SPECIFICATIONS

Dimensions: 4.875"H x 3.125"W x 0.255"D
Color: Ivory, white, almond, brown
Materials: High-impact, fire-retardant nylon:
Zytel 101F-UL rated 94V-2.

WARRANTY INFORMATION

- One-year limited product warranty.

DESIGN CONSIDERATIONS

- 3/8" larger than standard size wallplates to conceal irregular wall openings.
- Mounts to single-gang backboxes or four-square boxes with appropriate user-provided reducer.
- Smooth finish matches Leviton's existing Midway ED Wallplates for a consistent look throughout the home or business.
- Includes mounting hardware with color matched wallplate screws.
- Available as single-gang wallplate with coax outlet and an F-Connector and a coax outlet without an F-Connector .
- Available as single-gang wallplate with 6P4C voice grade connector, and combination F-Connector with 6P4C voice grade connector.

TYPICAL SPECIFICATION

The Midsize Single-Gang Wallplate shall meet all applicable standards: cULus listed and meet FCC part 68. It shall be constructed of high-impact, fire-retardant nylon: Zytel 101F-UL rated 94V-2. It shall be 3/8" larger than standard size wallplates, meeting 4.875"H x 3.125"W dimensional requirements. The wallplate shall be available with an F-Connector or unloaded with a hex-shape outlet for later coax cable installation or with a 6P4C voice grade connector, or combination 6P4C voice grade connector with F-Connector. Each wallplate shall be available in ivory, white, almond and brown. The manufacturer shall provide a one-year limited product warranty.
