

Product Cut Sheet

RMU LABEL KIT

RMU Label Kit facilitates equipment alignment. Easy-to-read numbers take the guesswork out of aligning components, eliminating the need for manual RMU calculation. Two kits are available 1-45 RMU for 7' racks/cabinets and 1-58 RMU for 8' or 9' racks/cabinets.

- Kit contains four individual label packs, enough for four racks or four cabinets
- Labels are constructed of 1/2" wide durable polyester film with adhesive backing and are black with RMU numbers printed in white

Part Number	Description	Unit	Shipping Weight
11927-001	1-45 RMU Label	4	1 lb
11927-002	1-58 RMU Label	4	1 lb
