41087-QxP

Wallplates and Housings

Brand Features

QuickPort Duplex Type-106 Inserts accept all individual QuickPort snap-in modules (sold separately). Use to support multimedia applications where a flush-mount electrical-wallplate look is desired, or where there will be multiple devices — or a combination of electrical and voice/data devices — under a multi-gang wallplate. Available in ivory, light almond, white, grey, and black.

Item Description

QuickPort Duplex Type 106 Insert, 4-Port, Black

Features and Benefits

- Fits within minimum NEMA openings
- Compatible with all individual QuickPort modules
- Brass-threaded insert for wallplate screw facilitates installation
- Narrow module width allows high port density in a small area
- The Quad 106 features a built-in termination station which stabilizes connectors during punchdown
- Fits Decora® and duplex wallplates

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
