

41290-SMG

Wallplates and Housings

Brand Features

Multimedia Outlet System (MOS) Wallplates provide flush-mount workstation connectivity for copper, fiber, and multimedia applications. The wallplates accept all MOS modules.

Item Description

Single-Gang MOS Wallplate, Grey

Features and Benefits

- Accepts 1-, 1.5-, 2-, and 3-unit high inserts
- Use 2-port QuickPort Module Adapter (flush or angled versions) to house simplex QuickPort Modules
- Wallplates mount to standard NEMA openings, single- and dual-gang backboxes, or four-square boxes with appropriate reducer/adapter
- Fill unused spaces with blank modules for a secure fitting and to prevent debris from entering wallplate
