

Mighty Mo Fiber Raceway, Horizontal Tee with cover, 4" x 4", yellow

OR-MMFHTC4X4-Y

Horizontal Tees are used to branch off the main route or provide a method of breaking into horizontal duct. Standard tees branch off at the same size as the through duct. Transition tees branch off to a smaller duct. They are available with and without covers.

features & benefits

- Made of Noryl fire retardant plastic:** Certified to UL94VO and Halogen free.
- Snap together slot and joiner system:** Stronger and quicker assembly of raceway and fittings.
- Raceway and fittings available in 5 sizes:** A solution for any size and density of installation.
- Bend radius control in all fittings:** Protects the performance of installed fiber.
