

BNC-3-N | 1324550

**Straight BNC Coax Connectors, NT735, RG 735A cable**

## Body Features

Body Style                      Straight

## Electrical Characteristics

50 Ohm                          No  
75 Ohm                          Yes  
Impedance                      75 Ohms

## Mechanical Attachment

Mounting Type                Cable

## Packaging Features

Packaging Method            Package  
Packaging Quantity           1

## Product Availability

Region                          North America

## Product Type Features

Product Type                 Connector - RF  
Cable Type                    NT735 | RG 735A  
Connector Style              Plug  
Product Category            Broadcast Connectors  
RF Connector Type          BNC  
Applies To                    Wire/Cable  
Connector Type              Connector Assembly  
Product Line                 Broadcast  
Size                             Standard

## Regulatory Compliance/Certifications

**Agency**  
RoHS 2011/65/EU

**Classification**  
Compliant
