

BNC-1-N | 1283863  
Straight BNC Coax Connectors, 734, 1505A

## Body Features

Body Style                      Straight

## Electrical Characteristics

50 Ohm                          No  
75 Ohm                          Yes  
Impedance                      75 Ohms

## Mechanical Attachment

Mounting Type                Cable

## Packaging Features

Packaging Method            Package  
Packaging Quantity         1

## Product Availability

Region                          North America

## Product Type Features

Product Type                 Connector - RF  
Cable Type                    CV752 | FM59 | Image720 | LV61 | M8024 | RCCH | RG 1505F | RG 734A/D | RG 734AP | RG 8241F | RG 9100 | RG 9165 | RG 9167 | RG 9259 | VPM2000  
Connector Style              Plug  
Product Category            Broadcast Connectors  
RF Connector Type          BNC  
Applies To                    Wire/Cable  
Connector Type               Connector Assembly  
Product Line                  Broadcast  
Size                              Standard

## Regulatory Compliance/Certifications

**Agency**  
RoHS 2011/65/EU

**Classification**  
Compliant
