EZ-RJ45® & EZ-RJ12/11™
Connectors: pages 42-43

EZ-RJPRO™ HD Crimp Tool.

The EZ revolution continues – the EZ-RJPRO™ HD Crimp Tool is designed for the professional installer demanding consistent, reliable and repeatable terminations, every time. This heavy duty tool is the perfect solution when working with high performance, larger OD cables that are tougher to terminate due to larger wire gauges, thicker, harder insulation and pair separating splines. Overcome these connectivity obstacles and be assured that every termination will meet FCC specifications.

Technical / Features

- Compatible with all EZ-RJ45® and EZ-RJ12/11™ Connectors as well as all standard modular plugs, except AMP
- Ratcheted, high leverage and stable platform for consistent, repeatable terminations
- Patented "crimp and trim system" delivers a clean, flush trim on the extended conductors for all EZ Connectors
- Zero flex frame prevents torque loss
- Tool steel die head assembly provides 360 degrees of connector support
- Full surface to surface contact delivers uniform crimp force
- Built-in cutter for flat and round cable
- Built-in stripper for round and flat cable
- Laser marked with wiring guide for proper wire sequence

100054C	**EZ-RJPRO™ HD Crimp Tool**
100054BL	**Replacement Blade Set for PN 100054C**
100054SBL-10C	**Replacement RJ45 Blade, Pack of 10**

EZ-RJ45® Crimp Tool.
This high quality crimp tool is designed to quickly crimp and cut the wires of the EZ-RJ45® Connector in one easy simple operation! The ratcheted straight action crimping motion ensures a uniform crimp every cycle. Features precision cast crimping dies for superior accuracy. Built-in wire cutter and stripper for silver satin. All steel frame with rust resistant black oxide finish.

EZ-RJ45® & EZ-RJ12/11™
Connectors: pages 42-43

Technical / Features

- For use with EZ-RJ45® Cat5/5e & Cat6 Connectors
- Crimps and trims extended wire in EZ-RJ45® Connectors in a single cycle
- Features precision cast crimping dies for superior accuracy
- Built-in wire cutter and stripper for silver satin
- Laser marked with wiring guide for proper wire sequence
- Also compatible with all standard modular plugs (except AMP)
