

Scotchlok™ IDC Butt Connector UY2 Box

The Corning logo is a solid blue square with the word "CORNING" in white, uppercase, sans-serif font centered within it.

CORNING

Part Number:**80611326796**

The small size of the UY2/UY2-D solvent resistant connectors reduces the splicing bundle O.D. to a minimum. Their two ports accept two solid copper conductors that can be of different wire gauges. The connector is filled with a sealant to provide moisture resistance. In addition, the UY2 connector is available in a dry version, UY2-D connector. Choose any one of the Scotchlok™ Crimping Tools E-9 to use with the UY2 connector.

Scotchlok™ IDC Butt Connector UY2 Box
