

Pretium® Connector Housing (PCH) four rack units, holds 12 CCH connector panels

CORNING

Part Number: **PCH-04U**

The rack-mount Pretium® connector housings (PCH) are available in 1U, 2U and 4U sizes and mount in 19-in racks or cabinets. Combined with the modules, panels, harnesses, trunks and jumpers, they provide a tip-to-tip solution for your fiber optic network.

Features and Benefits

Compatible with Plug & Play™ Systems modules

Designed to support Plug & Play Systems applications

Splice in the housing

Saves rack space and the cost of the second housing

Removable top (1U, 2U)

Maximizes ease of access

Transparent front door (04U and 02U)

Permits viewing while protecting installed patch cords

Large removable fiber guides in front

Effectively manage high patch cord densities
