

Cable Management Clip

APPLICATION

Leviton Cable Management Clip is designed for use with the Leviton standard Cable Management Bar. This installer-friendly design can be easily installed on the Leviton standard Cable Management Bar without any tools and allows discrete cable retention on the rear of the patch panels.

SPECIFICATION

Leviton Cable Management Clip shall be made of polycarbonate and shall be fire retardant with a UL flammability rating of 94V-2. The product shall snap into the Leviton standard Cable Management Bar without any tools and shall contain 24 individual spring clips for discrete cable administration. The cable management clip shall have an integrated bend radius control feature and extended cable support channel with a cable tie stop for optional tie.

FEATURES

- Accommodates 24 cables
- Accommodates cable sizes of 0.18 to 0.346 inches (4.57 to 8.78 millimeters) in diameter
- Easily snaps into the Leviton standard Cable Management Bar (49005-CMB, sold separately)
- Secures discrete cables quickly, without cable ties or wraps
- Improves label / legend visibility
- Integrated bend radius control feature
- Extended cable support channel with a cable tie stop for optional (user supplied) ties

DESIGN CONSIDERATIONS

- Compatible with the Leviton standard Cable Management Bar
- Consists of one 24-slot module
